2. BASIS OF PREPARATION

The unaudited condensed consolidated financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards (“HKFRSs”) issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”) and the disclosure requirements of the GEM Listing Rules.

The principal accounting policies and methods of computation used in the preparation of these accounts are consistent with those adopted in the preparation of the annual report of the Company for the year ended 31 March 2021.

The unaudited condensed consolidated financial statements have been prepared under the historical cost convention, as modified by the revaluation of investment properties and certain financial instruments, which are measured at fair values, as appropriate.

The unaudited condensed consolidated financial statements do not include all the information and disclosures required in the annual report, and should be read in conjunction with the Group’s annual report for the year ended 31 March 2021.

In the current reporting period, the Group has applied, for the first time, certain new standards, amendments to standards and interpretations issued by the HKICPA that are mandatorily effective for the current reporting period. The adoption of these new and revised HKFRSs did not result in substantial changes to the Group's accounting policies and amounts reported for the current year and prior year.

The Group has not yet applied new or revised HKFRSs that have been issued but not yet effective, and will apply such standards when they become effective. The Group anticipates that the application of such new standards and amendments to existing standards have no material impact on the results and the financial position of the Group.
