## **ANNOUNCEMENT ON THE AUDIT RESULTS ISSUED BY THE NATIONAL AUDIT OFFICE OF THE PEOPLE'S REPUBLIC OF CHINA**

The Board of Directors of China Petroleum & Chemical Corporation and its directors warrant that there are no false representations, misleading statements or material omissions contained in this announcement and severally and jointly accept full responsibility for the truthfulness, accuracy and completeness of the information contained in this announcement.

China Petroleum & Chemical Corporation (“**Sinopec Corp.**” or “**Company**”) hereby announces that, in 2015, the National Audit Office of the People’s Republic of China (“**CNAO**”) conducted an audit on the revenues and expenditures of China Petrochemical Corporation (“**Sinopec Group**”, the controlling shareholder of Sinopec Corp.) for the year 2014.

The audit results of CNAO indicate that, in accordance with its development strategies, Sinopec Group actively carried out reforms, promoted restructuring and listing of oil service business and refining and chemical engineering business; launched and completed the diversified ownership reform of its oil product marketing business; strengthened and improved its management system by improving rules and regulations in respect of bidding and tendering management, etc., and further improved corporate governance. The audit results also point out that several problems exist in certain aspects, such as financial management and accounting, corporate decision and business management, growth potentials and integrity practice, as well as rectification for problems listed in previous audit.

Sinopec Corp. paid great attention to issues related to Sinopec Corp. identified in the above-mentioned audit by CNAO. The board of directors, the supervisory committee and senior management of Sinopec Corp. discussed and analysed these issues, set up and actively implemented rectification mechanisms at three levels, including investigating accountable persons, rectifying specific issues and improving the management systems.

Sinopec Corp. takes this audit rectification as an opportunity to strengthen the formation and implementation of management systems, to establish an effective long-term mechanism and to improve our management and our capability in risk control.

The relevant issues identified in this audit do not have material impact on the overall operating results and financial statements of the Company.

By Order of the Board
