Notes to Section I:

1. Where shares have been issued at more than one issue price per share, a weighted average issue price per share should be given.
2. Please insert the closing balance date of the last Next Day Disclosure Return published pursuant to rule 13.25A or Monthly Return pursuant to rule 13.25B, whichever is the later.
3. Please set out all changes in issued share capital requiring disclosure pursuant to rule 13.25A together with the relevant dates of issue. Each category will need to be disclosed in the Next Day Disclosure Return. For example, multiple issues of shares as a result of multiple exercises of share options under the same share option scheme or of multiple conversions under the same convertible note must be aggregated and disclosed as one category. However, if the issues resulted from exercises of share options under 2 share option schemes or conversions of 2 convertible notes, these must be disclosed as 2 separate categories.
4. The percentage change in the number of issued shares of the issuer as it was immediately before the earliest relevant event which has not been disclosed in a Monthly Return or Next Day Disclosure Return.
5. Where trading in the issuer's shares is suspended, the issuer should disclose the date when trading resumed and the date when trading was suspended again.
6. In the context of a repurchase of shares:
 - The number of shares repurchased during the period should be disclosed.
 - The number of shares repurchased during the period should be disclosed as a percentage of the number of shares in issue immediately before the repurchase.
7. In the context of a redemption of shares:
 - The number of shares redeemed during the period should be disclosed.
 - The number of shares redeemed during the period should be disclosed as a percentage of the number of shares in issue immediately before the redemption.
 - The issuer should disclose the date when the redemption was completed.
8. The closing balance date is the date of the last relevant event being disclosed.
